

Journey to the Cross
A Nobleman's Son Is Healed
John 4:46-54

We live in a world of instant gratification. This worldview affects every aspect of our lives. We want things like wealth, knowledge, and skills, but we get impatient thinking that we can have these things easily. Even in our spiritual lives, we want to be “spiritual” but we want to flip a spiritual switch.

1. A _____ faith approaches Jesus
2. A _____ faith asks Jesus
3. A _____ faith believes Jesus
4. A _____ faith knows Jesus
5. A _____ faith credits Jesus

While there are many ideas about faith, the Bible makes it clear that faith is not just something we obtain. It is something that we exercise and use. True faith is never detached from its object, which for us is always Jesus. By grace we are saved through faith and as that faith develops, we grow in the grace that provided it.
