

Unstoppable Gospel
The Gospel in Action
Acts 3:1-10

I think most of us at one time or another have thought or said, “I need a miracle” or “That will take a miracle.” How many times as believers have we said that without really thinking through the fact that the God we worship revealed a great deal of His nature and character to us through miracles?

1. Believers look for gospel _____
 - A. God provides gospel _____
 - B. The gospel helps us _____ needs
 - C. The gospel helps us _____ needs

 - B. Power is found in the _____
3. Believers celebrate gospel _____

We need to take advantage of every opportunity we get to share the gospel. Not all will accept the message, but some will. Even if they don't accept Christ on the spot, God can still use your witness to bring them to Christ at a later time. One thing is certain: people won't know the way of salvation if we don't tell them.
