

For Freedom Christ Has Set Us Free
One Thing
Galatians 5:1-12

We live in information overload. We have access to so many answers that we sometimes forget which questions even matter. We get pulled in many different directions with our time and energy and financial resources that life can become extremely overwhelming.

1. The one thing is not _____
 - A. Christ becomes of no _____
 - B. We become _____ to the whole law
 - C. We become _____ from grace
2. The one thing is _____

Trust _____ and let _____ happen

Can you imagine what would happen if every Christian in every church focused in on this one thing? What if those of us who are gathered here would moment by moment trust Jesus and let love happen? In Christ, we are free to dance. Let's not allow anyone or anything to hinder us from dancing in the freedom for which Christ has set us free.
