

Leviticus: A Call to Holiness
Powerful Worship
Leviticus 9:1-24

Very often people think of the church as a place to go. While it isn't wrong to talk about going to church, using that kind of language does promote church as something to be consumed. We risk thinking of church the same way we think of a concert or some other show and worship becomes a performance that we judge from our own preferences.

1. Worship follows _____ for God's _____
2. Worship includes _____ to God's _____
 - A. We submit through the _____ of worship
 - B. We submit through the _____ we worship
 - C. We submit through a _____ of worship
3. Worship _____ God's _____
4. Worship _____ from God's _____

Leviticus 9 is just one chapter in the Bible, but even at this early stage in the history of God's revelation, a theology of worship is beginning to develop. God does not wait to see how good our music is or how dynamic it is to decide whether or not to show Himself. He prescribes worship, inviting us in to His presence, and we answer His invitation not with preferential music styles or proof texts, but with hearts of faith.
