

Leviticus: A Call to Holiness
Holiness and Sexuality
Leviticus 18:1-30

We now live in the aftermath and consequences of the sexual revolution. The rhetoric in our culture indicates a desire to protect erotic liberty at the expense of religious liberty it may soon, if it hasn't already, affect freedom of speech.

1. Believers _____ to God's _____
 - A. God's word _____ us
 - B. God's word _____ Him
2. Believers _____ from worldly _____
 - A. Separation _____ with salvation
 - B. Separation _____ by sanctification
 - C. Separation _____ in showing love
3. Believers _____ God in _____
 - A. We _____ our weakness
 - B. We _____ our service

In an age of new cultural norms, it has become politically incorrect to define morality in terms of biblical conviction. But the law was designed to reveal the character of an unchanging God whose desire through revelation was to protect us and free us from our sin. Jesus fulfills the law perfectly in order that we may embrace His righteousness and enter into the presence of our Creator.
