

Victory: A Saved and Sanctified Life
Victory Shared
Luke 24:44-49

We all have a story to tell. Companies pay marketing agencies billions of dollars every year to tell the story of their product. We brand ourselves on social media. Facebook even adopted the story concept from Snapchat so that people through pictures and posts could tell others their story. Whether good or bad, when life happens we tell our story.

The _____ we have in Jesus is too big to keep to ourselves.

1. _____ is central to Scripture
2. The _____ is central to the gospel
3. _____ is central to preaching
4. Being _____ is central to our calling

As a church, we don't need cheesy advertisements or marketing strategies to spread the good news of the gospel of Jesus. What we need are believers who are willing to share their stories. We need to tell the story of how our lives have been changed and are being changed by the victory and power of Jesus.
