

The Apostles' Creed
The Life and Death of Jesus
Luke 1:26-38

The Apostles' Creed doesn't just leave us with a big picture of Jesus. It shows us how we come to understand that Jesus is King and Lord. It shows us how the King of the universe stepped into our world to engage with us personally so that He could lead us back to what was originally intended for us.

1. God supernaturally _____ our broken world
2. God supernaturally _____ us through the cross
3. God supernaturally _____ us into fellowship

What we see in the incarnation (birth), life, and death of Jesus is God taking initiative. The creed reminds us that He is not a passive God, sitting around waiting for us to get our act together. He is an active God, doing everything possible to win our hearts and draw us back to Him. God became a man to live the life that no man could live and die the death that no man could survive so that we might live forever.
