

Revelation: The Promise of Glory  
The Lukewarm Church in Laodicea  
Revelation 3:14-22

We have created a society that likes comfort and convenience. We like our affluence. These things in and of themselves are not bad things, but they can get in the way of other things such as commitment, surrender, and sacrifice.

1. Jesus rebukes religion of \_\_\_\_\_
2. Jesus rebukes religion of \_\_\_\_\_
3. Jesus offers the promises of the \_\_\_\_\_
4. Jesus offers the promises of His \_\_\_\_\_

The message of the gospel calls people to shift their allegiances from the comforts of this world to the promise of glory in Christ's kingdom. In that shift, life might become difficult, but Jesus gives us the power to overcome in the face of adversity, the power to experience victory in the face of defeat, and the power to experience life in the face of death.
