

Revelation: The Promise of Glory
The Glory of the Triune God
Revelation 5:1-14

There is coming a day when people from every walk of life, from every place on the planet, from every era in history, and from every language and tribe will stand and behold the glory of a triune God and give Him the praise and honor and worship that he is due. In the meantime, God gives His church a portrait of what that glory will look like to motivate and empower His people to live for the Great Commandment and the Great Commission.

Jesus gives His church a portrait of a Triune God to motivate us for His glorious purposes. It is a divine mystery. If we try to explain it, we will lose our mind. If we try to deny it, we will lose our soul. Let's just see the majesty of this mystery and see the progression of the praise that accompanies it. Let's let this vision do what we were created and called to do, glorify God and enjoy Him forever.
