

Revelation: The Promise of Glory  
The Truth about Us  
Revelation 8-9

Because our culture is increasingly becoming more secular, morality and values are being redefined. The church has seemingly lost its influence to maintain in our culture the values upon which our society was built. We are in essence being pushed to the margins of society and while that causes frustration for many Christians, we should remember that the margins are all the first century church ever knew.

Why do we have the trumpets?

1. God is giving the world \_\_\_\_\_.
2. God is calling the church to \_\_\_\_\_.

What do we do in light of them?

1. We fervently \_\_\_\_\_ for God's kingdom to come.
2. We fearlessly \_\_\_\_\_ God's gospel to all.

Believers constantly live in the midst of a fierce battle because of spiritual forces and the effects of sin in a fallen world. Let's be committed to praying for God's kingdom to come and for our friends and family and coworkers and colleagues to recognize their sin that separates them from God so that they might embrace the Savior who gave Himself for us and for them. Let's fearlessly proclaim this gospel as we look forward to the promise of glory.
