

Living a Godly Life in An Ungodly World
Depend on God
2 Chronicles 4:9-15

Life is challenging and filled with both opportunities and struggles. Sometimes everything goes our way and sometimes nothing seems to go our way. Our nature is such that we want to rely on our own strength and ingenuity. Good times or bad, we want to control our circumstances and our future.

God is _____ than any challenge we face.

“Humility, the place of entire dependence on God, is the first duty and highest virtue of the creature, and the root of every virtue.”
--Andrew Murray

1. We express our _____ without God.
2. We express our _____ in God.
3. We express our _____ to God.
4. We express our _____ to God.

While God gives the victory, He still expects us to march into the battles trusting that He is right by our side. Depend on God's strength and might as you face each challenge. When God brings the victory, let others know. He gives us these victories so that we can brag on Him. The more we make much of Jesus, the more our words and examples will be sources of encouragement to others as they face their own challenges and battles.
