

Revelation: The Promise of Glory
Strong is the Lord who Judges
Revelation 18:1-24

The church in the United States today faces some of the same temptations and influences that the church in the Roman Empire in the first century faced. People looked to Rome for prosperity and security, and the church was willing to compromise the basic tenets of the Christian faith in order to cash in on what Rome had to offer. Not much has changed.

1. Sin is universal and _____.
2. The world will mourn the loss of _____.
3. God will destroy both _____ and _____.
4. Grace calls us to _____ and faithfulness.

The sinful nature of the world entices us to pursue things that seek to replace God in our lives. It influences and encourages us to see ourselves as the focus of our lives, leading us to infidelity, idolatry, and immorality against God. But God has conquered sin, and those who trust in the finished work of Christ and the cross find eternal salvation and security in Him.
