

Revelation: The Promise of Glory  
The Reign of the Lamb  
Revelation 20:1-15

The divisiveness in our society is shaped partially by two opposing views of history. Some people believe that our world is advancing and progressing, aided materially by technological advances and conceptually by new definitions of tolerance and cultural norms. Others believe that our world is headed towards destruction, aided materially by technological advances and conceptually by new definitions of tolerance and cultural norms.

1. Christ's reign is established at the \_\_\_\_\_.
2. Christ's reign is expressed in \_\_\_\_\_.
3. Christ's reign is experienced in \_\_\_\_\_.

We speculate about the future precisely because of its uncertainty. We can have strong feelings about the timing, length, and location of the Millennium, but because of the uncertainty, we must embrace those beliefs with humility. For now, we look to what we know. God has given us the certainty of the cross and has entrusted us with the message of salvation granted to those who by faith place their trust in Christ's finished work there.
