

The Good Life: A Simple Life in Christ  
The Key to Contentment  
Philippians 4:10-20

Life is lived in stages—and it seems that no matter which stage we are in, we seem eager to jump to the next. For most of us, each stage offers some degree of contentment, but we still have hearts that hunger for more. If we are not careful, that ambition can lead to discontentment.

True contentment comes through Christ alone.

1. Contentment in Christ is \_\_\_\_\_.
2. Contentment in Christ is \_\_\_\_\_.
3. Contentment in Christ is \_\_\_\_\_.

A life of simplicity, a good life, finds contentment in Christ alone. The world will offer a variety of reasons for us to be discontented. Thankfully, through the power of the gospel, Jesus gives us a path of true contentment in Him. The gospel promises the righteousness of Christ to those who believe, and that righteousness is always more than enough.
