

Genesis
A Chapter of Firsts
Genesis 2:1-2:24

Every worldview is based on certain presuppositions. There are foundational beliefs that eventually shape how we see, understand, and relate to the world around us. 1. God created the first _____.
2. God created the first _____.
3. God created the first _____.
4. God created the first _____.

We live in a world created by God, we are creatures made in the image of God, and we enjoy multiplied blessings from the hand of God. It is tragic that so many people leave God out of their lives and wander aimlessly through this broken and unfriendly world. Through the cross of Christ, God is reversing the curse, making all things new, and providing a way for us to experience life as His children in His world.
