Trouble in Paradise  
Genesis 3:1-24

Satan has been caricatured so much by writers, artists, actors, and comedians, that most people don't believe the Devil really exists, or if they do believe he exists, they don't take him seriously. The law of sin and death now operates throughout creation and will continue to do so until the end of time, but the death and resurrection of the Savior introduces a new law: "For the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death (Rom 8:2)." Redemption promised is now redemption completed. Through the cross of Christ, the curse is being reversed, one life at a time, until all who will be saved are saved.
