

How to Know God's Will
God's Will and the Church
1 Corinthians 12:1-11

One of the great gifts God has given followers of Jesus is His church. When we are converted, we are saved and baptized into a body of believers. We shift our allegiances from the things of this world to the things of Christ, and we live out that newly formed commitment in a Christian community called the church.

God often reveals His _____ for us through His church.

1. The Spirit helps us consider the _____.
2. The Spirit helps us discern the _____.
3. The Spirit helps us know our _____.

We need to be spiritually attentive to hearing God's voice as others speak truth into our lives. God has placed other believers in our path for the purpose of discipleship, development, and direction. He has placed us in the paths of others to use our giftedness for the same purposes. It is important to believe that one of the most profound ways God speaks to His people is through other believers.
