

Genesis  
Life in a Cursed World  
Genesis 4:25 – 6:8

When we ignore the systemic and social structures that God built into creation, we create chaos out of what was supposed to be orderly. Original sin creates in all of us a natural inclination to reject God's design in favor of our own. It is ironic that the gift of procreation granted to Adam and Eve as a blessing, would now become the mechanism by which sin would spread and defile God's creation.

1. God still gives us new \_\_\_\_\_.
2. God still desires \_\_\_\_\_ and \_\_\_\_\_.
3. God still extends \_\_\_\_\_.

We continue to endure life in a cursed world, but there is good news. Through the cross of Christ what was done in Adam's sin is being undone in Christ's righteousness. Order is being restored to the cosmos one life at a time through faith in Jesus and will continue until that day when every knee will bow and every tongue will confess that Jesus Christ is Lord to the glory of our Creator.
