God's Will and the Glory of God

Beauty is in the eyes of the beholder, so when it comes to art, our opinions can be quite diverse as to what makes good art. Some works of art can leave us scratching our heads. What was the artist thinking? Others can look at that same piece of art and think it's brilliant. We don't just marvel at the artist. We marvel at the one who created it.

We bring glory to God when we \_\_\_\_\_ His will.

1. The glory of God is experienced in God's \_\_\_\_\_.
2. The glory of God is experienced through our \_\_\_\_\_.
3. The glory of God is experienced through God's \_\_\_\_\_.

How can we deliberately live life so that it brings maximum glory to God? How can we be intentional about trusting God to be glorified in our need regardless of the difficulty of the circumstance? God reveals His glory in many ways all around us. To an even greater extent than works of art display the artist's glory, we are God's masterpieces, intended to point people to our Creator. Let's live according to His will for His glory.
