
What is EQUIP?

Here at Parkview, we believe that the gospel changes everything.

These courses are designed to assist and equip members of our church family. We want ALL of our life to be shaped by the gospel of Jesus Christ.

EQUIP is all about helping you take the next step. Once Christ changes your life, you begin a different kind of journey. You trade in what you used to pursue, and instead, make it your life goal to know Him. He offers REAL, amazing life! Every step you take closer to Him helps you experience that life in new ways.

Our first semester of classes will be offered from January 22nd until March 5th.

So what's your next step?

Take a look at the different opportunities that EQUIP has to offer, and find a class, group, or mentor that will help you move forward. Whether you have been following Jesus for 5 days or 50 years, you can take your next step in EQUIP.

Parenting

In the midst of folding laundry, coordinating carpool schedules, and breaking up fights, many parents get lost. Feeling pressure to do everything "right" and raise up "good" children, it's easy to lose sight of our ultimate purpose as parents in the quest for practical tips and guaranteed formulas.

In this life-giving book, Paul Tripp offers parents much more than a to-do list. Instead, he presents us with a big-picture view of God's plan for us as parents. Outlining fourteen foundational principles centered on the gospel, he shows that we need more than the latest parenting strategy or list of techniques. Rather, we need the rescuing grace of God—grace that has the power to shape how we view everything we do as parents.

Financial Peace University

Most people struggle to make ends meet. They just have too much month left at the end of the money. If you have made mistakes and feel like your money vanishes each month, you are not alone. In fact, 70% of Americans live paycheck to paycheck, regardless of income.

Financial Peace University is designed to teach you and your family how to get out of debt, stay out of debt, and build wealth. You'll meet with your class each week to watch the video lesson and participate in discussion and accountability groups that will change your whole attitude about money!

Gospel Shaped Worship

What does it mean to worship God? What should we be doing when we meet together for "church" on Sundays? And how does that connect with what we do the rest of the week? As we search the Scriptures together, we will discover that true worship is more than a service on a Sunday—it is to encompass the whole of life. This engaging and flexible program will challenge us to worship God every day of the week, with all our heart, mind, soul and strength.
